

your mom said you should major in something that will get you a good job. you really do want a good job after you graduate, but don't you want to do something you love? what if you could enjoy your work, get paid for it and have a real impact on the world? after all, we all want to make a difference.

you really do know where you want to go.

## **G E O G R A P H Y**

can take you there.

# **GEOGRAPHY MAJOR'S NIGHT**

Tuesday November 15th @ 5PM, Geography Building Lounge

- Hear about the B.A. programs in Human Geography and Environment & Sustainability, and the B.Sc. program in Geographical Biogeosciences
- Learn about the Geography Co-op Program and opportunities for Geography students to go abroad with Go Global
- Find out where a Geography degree can take you career-wise

**REFRESHMENTS WILL BE SERVED**
