Scientific Name

Cephalops digitatus De Meyer (1989)
Cephalops furnaceus De Meyer (1989)
Cephalops grootaerti De Meyer (1989)
Cephalops hardyi De Meyer (1989)
Cephalops mainensis Cresson (1911)
Cephalops pallidivittipes De Meyer (1989)
Cephalops pallipes Johnson (1903)
Cephalops varius Cresson (1911)
Cephalops varius varius Cresson (1911)
Cephalosphaera appendiculata Cresson (1911)
Cephalosphaera filicera De Meyer (1989)
Chalarus latifrons Hardy (1943)
Dorylomorpha aberrans Albrecht (1990)
Dorylomorpha alaskensis Albrecht (1990)
Dorylomorpha albitarsis Zetterstedt (1844)
Dorylomorpha beckeri Aczél (1939)
Dorylomorpha borealis Wahlgren (1910)
Dorylomorpha canadensis Hardy (1943)
Dorylomorpha caudelli Malloch (1913)
Dorylomorpha exilis Malloch (1913)
Dorylomorpha hardyi Albrecht (1990)
Dorylomorpha montivaga Hardy (1943)
Dorylomorpha occidens Hardy (1939)
Dorylomorpha spinosa Albrecht (1979)
Dorylomorpha spinosa spinosa Albrecht (1979)
Dorylomorpha tridentata Hardy (1943)
Dorylomorpha xanthopus Thomson (1870)
Eudorylas affinis Cresson (1911)
Eudorylas caudatus Cresson (1911)
Eudorylas kansensis Hardy (1940)
Eudorylas stigmaticus Malloch (1913)
Eudorylas stigmaticus stigmaticus Malloch (1913)
Eudorylas subopacus industrius Knab (1915)
Eudorylas subopacus Loew (1866)

Microcephalops banksi Aczél (1940)
Pipunculus campestris campestris Latreille (1802)
Pipunculus campestris Latreille (1802)
Pipunculus cingulatus Loew (1866)
Pipunculus elegantulus Williston (1892)
Pipunculus fuscus Loew (1866)
Pipunculus hertzogi Rapp (1943)
Pipunculus horvathi Kertész (1907)
Pipunculus luteicornis Cresson (1911)
Pipunculus nanus Skevington & Marshall (1998)
Tomosvaryella aliena Hardy (1947)
Tomosvaryella columbiana Kertész (1915)
Tomosvaryella lepidipes Hardy (1943)
